Dear Aoi san,

Good Day!

Once again sincerely regret for the sample not being in desired form.

We had taken up the matter with our QC team. They will be resending the sample in flake form.
And do not worry for the 60MT order quantity, it will be in flakes itself.

Shall revert to you once the sample is couriered.

Dear Miyuki san,

Noted your mail.

For this shipment, the stuffing had been in parts; one container on Saturday and other two on Monday.
So there has been two invoices generated in our system.

As per procedure, the export council issues just one Certificate of origin per shipment.

In order to facilitate custom clearance, we will send you one Commercial invoice with Invoice no. mentioned on the C/O separately. The Shipping documents sent through the bank will have commercial invoice with two invoice nos.

Hope this arrangement is okay for you.

Best Regards,

Dear Varghese san,

Thank you for the shipping schedule.

Would you please issue 1-invoice with 60MT?
